

# DRIVE SAFELY

*We are neighbors in one of the best communities in the world!*

Each morning, getting to your destination -- work, school, or play -- can be stressful. Many hazardous driving behaviors have been observed and reported to our office. While Niu Valley Middle School has no jurisdiction over our city streets,

**WE CARE**  
about the safety of everyone, especially our **STUDENTS.**

- PLEASE**
- Use your turn signals.
  - Let cars back onto the street.
  - Tell your children to use the crosswalks.
  - Drive with caution.

- NO**
- Speeding
  - Making illegal u-turns
  - Using cell phones in a moving vehicle or while walking.
