

Attention Parents/Guardians:

Due to the recent situation with COVID-19 spikes and news announcements on August 13, 2020, we needed to revise our schedule and procedures. We have made schedule changes for the week of August 17-21 to further limit movement on campus in order to provide in-person connection for students and teachers. Advisory teachers will also check that students have logged in to all of their Google classrooms, distribute materials and textbooks, understand the schedule and expectations, and complete necessary forms/tasks. In-person attendance on campus will be from 8:00am to 10:30am. Dismissal will be staggered from 10:30-10:40. All students are to leave the campus upon dismissal and will not be allowed to linger. Grab-n-go lunch must be ordered by 9:00am every morning on the niuvalleymiddle.org website and picked up immediately after dismissal.

Please understand that we must continue to conduct regular health screening and practice proper health and safety protocols such as social distancing, wearing a mask, hand washing to provide a safe environment for students and staff.

Continue to practice health measures at home using the following symptom checklist:

- ☐ feverish or unusually warm (has flushed cheeks)
- ☐ coughing/sneezing
- ☐ sore throat
- ☐ shortness of breath/difficulty breathing
- ☐ headache/stomach ache/nausea
- ☐ muscle pain/unusual fatigue
- ☐ new loss of taste or smell

If at least two of these symptoms are present, please keep your child at home.

The school will also have this symptom checklist in place to monitor the health and well-being for both staff and students on campus.

We ask for your support and patience due to ongoing changes during these unprecedented times. There may be a need to adjust and revise our schedule at which time information will be announced.

We also recommend that arrival to campus should be no earlier than 7:45am, if at all possible.

Be advised that drop off and pick up is along either Halemaumau Street or Kanau Street. Please be patient and aware of safe driving guidelines and movement of students. Kanau Street is located along the field which is generally less congested. Students will need to cross the field and access the campus near the music and band rooms due to on-going construction.

The health, safety, and education of our students are foremost. We want to ensure the least amount of disruption for our students in order for all to thrive academically and socially.

We appreciate your continued support and understanding.
