May 14, 2021

Aloha Parents,

We are pleased to inform you that this coming school year 2021-2022 will be 100% in-person learning for all of our NVMS students. We will be fully opened daily for our students and therefore, Distance Learning will not be offered. We appreciate our community in adhering to the safety protocols and helping to keep our school and students safe. With the addition of vaccinations, our State Department of Education has determined that all schools are safe to reopen for the 2021-2022 school year.

We will continue to implement the essential primary protocols for the remainder of this school year and as we re-open for the next school year.

- Stay at home when sick
- Wear a mask
- Practice proper hand hygiene
- Maintain safe social distancing
- Adhere to the school's safety procedures

We will continually update and inform our school community of additional mitigating measures to ensure the safety and well-being of our students and staff under the guidance of the DOE, Department of Health, and the State of Hawaii guidelines. Please visit our school's website during the summer for updates.

Our school year is quickly coming to an end. We cannot be prouder and more pleased with the perseverance of our students to continually strive for their best and of our staff for their integrity and commitment to continually provide quality learning opportunities during our challenging school year. Everyone's efforts, hard work, care, and support have made this school year a special and successful one. We also want to extend our sincere appreciation and gratitude to our parents and community for your continued support in helping our school to thrive.

We will miss our 8th graders who will soon be transitioning to high school. We wish them well and hope they continue to be successful learners. We're looking forward to welcoming our incoming 6th graders and know that our soon to be 7th and 8th graders will continue to be engaged learners and great role models.

Have a safe and restful summer!

Sincerely,

A handwritten signature in cursive script, appearing to read 'Laura Ahn', written in dark ink.

Laura Ahn, Principal
