Dear Niu Valley Middle Parents and Guardians,

At Niu Valley Middle School, your child's safety is of our utmost concern.

Our school received an anonymous phone call threatening the safety of our campus at approximately 1:10pm on Friday, November 16, 2018, after the school day had ended at 12:30pm. As a safety precaution, students, parents, and staff, who were on-campus at the time were asked to leave. The Honolulu Police Department (HPD) responded immediately, investigated and determined that there was no credible threat. HPD is continuing its investigation.

All threats to our school or students are taken very seriously and are investigated thoroughly. We wanted you to have the facts so you can discuss them with your child and emphasize the seriousness of this issue. If you discover anything that can assist in the investigation, please contact us immediately.

The safety of our students is a major priority and we are committed to providing a secure campus. I would like to commend our staff, teachers, parents, and students for their prompt response and cooperation during today's incident.

We appreciate your help as we work together to keep all our students safe. If you have any questions or concerns, please contact our administration at 377-2440.

Sincerely,

Laura Ahn
