

**STATE OF HAWAII
BOARD OF EDUCATION**
P.O. BOX 2360
HONOLULU, HAWAII 96804

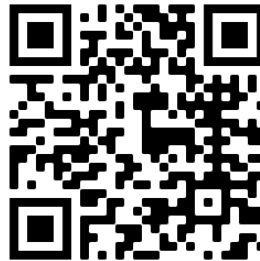

September 22, 2022

Dear valued family of Hawaii's public schools:

The State Board of Education would like your input as the Board develops the strategic plan for Hawaii's public education system. The Board launched a survey designed to provide the public with the opportunity to share its opinions on the priority areas that the Board must focus on to improve the state's public education system and provide insight into how well the system is currently meeting the needs of students, families, schools, and communities.

We invite you to take the online survey, which should take no more than 10 minutes to complete, before the October 11, 2022 deadline. The survey can be found at <https://www.surveymonkey.com/r/PVP528P> or by using your smart device to scan the QR code below. The survey is accessible by computer, phone, or tablet but can be completed only once on each device.

Scan the code to access the survey.

Your input is very important to the success of this process. Please have each member of your family complete the survey and encourage your colleagues, friends, and neighbors to join in this important opportunity to shape the future of education in Hawaii.

Sincerely,
