Set Spending Limits for [redacted]

Note: This form will allow you to submit spending limit changes for the selected student to your school's Food Service Department. This will usually take effect within several minutes. EZSchoolPay does not make any decisions involving student spending. Please contact your school directly for any inquiries regarding spending limits.

Please choose one:

- ☒ Simple: Set an all-day spending limit for this student.
- ☐ Advanced: Limits should affect breakfast, lunch, and ala carte separately.

Spending Limit

- ☐ Do not limit meal account spending (max allowed).
- ☐ Do not allow any meal account spending (\$0.00 allowed).
When this option is selected, the student must pay with cash (or check) during meal service.
- ☒ Limit meal account spending per day to a specific dollar amount.

Daily Spending Limit:

- **Do not limit meal account spending (max allowed).**
Your child will be able to use their meal account, without a limit applied.
- **Do not allow any meal account spending (\$0.00 allowed).**
Your child will not be able to use their meal account for any purchases.
- **Limit meal account spending per day to a specific dollar amount.**
Daily Spending Limit: (You set the amount)
When this option is selected, your child will only be able to spend the set dollar amount from their account for each day. This applies to all meal sessions, as well as milk only purchases.

GUIDELINES: NVMS only serves Breakfast, Lunch, and Milk:

Breakfast	\$1.10
Each additional Breakfast	\$2.40
Lunch	\$2.50
Each additional Lunch	\$5.50
Milk only (Ala Carte item)	\$.90

Tips: If your child eats a lunch with an extra milk daily, you can set your Lunch limit to \$3.40 (\$2.50 Lunch + \$.90 Milk).
However, if your child eats a breakfast on that day, they will not be able to purchase lunch as it will put them over their limit (\$1.10 Breakfast + \$2.50 Lunch = \$3.80).

*** If you will be restricting meal purchases, please discuss this with your child. When a student takes a meal/milk which you have disallowed, the school has to discard that entire purchase.**
