8th Grade Niu Valley Middle School Parents and Guardians,

We warmly invite you to join us in celebrating your student's successful completion of 8th grade at the Aloha Assembly on Friday, May 30th, 2025, from 11:00 AM to 1:15 PM at King's Chapel in the Niu Valley Shopping Center. This year's assembly is special, as we gather together as an entire 8th grade `ohana. Your attendance would truly enhance the joy of this occasion.

Currently, space limitations allow for 2 family members/friends per student to attend the indoor Aloha Assembly program in person. Tickets and a link to a livestream of the program will be distributed to students one week prior to the event. Doors to King's Chapel will open thirty (30) minutes before the start of the Aloha Assembly at 10:30 am. We ask that because of space, when entering King's Chapel, please fill every seat to ensure the maximum number of guests can be seated.

After the indoor Aloha Assembly program ends at 12:30 pm, we will have a designated outdoor celebration area where you, and family/friends NOT attending the indoor assembly, can give leis and celebrate with your students (a map will be provided at a later time). This outdoor celebration will end at 1:15 pm, after which **students will be dismissed and will NOT return to campus**.

Please be aware that parking will not be available in Niu Valley Shopping Center; however, parking will be provided at Kilohana Methodist Church, as well as neighborhood street parking. Please be courteous and do not block residential driveways.

The Aloha Assembly is a meaningful celebration, where we expect all attendees to uphold appropriate behavior and attire standards. Therefore, air horns, confetti, large signs, and other items that will detract from the occasion are prohibited. Aloha Attire is encouraged (but not required) for the ceremony, and the Niu Valley Middle School dress code remains in effect for this event.

We are so excited to celebrate this important milestone with you at the Aloha Assembly and look forward to seeing you there!

Sincerely,

8th Grade Teachers/Counselor, Niu Valley Middle School

(Please see reverse side for schedule and additional information)

Schedule for Friday, May 30th, 2025
