FRIENDS OF NIU VALLEY

September 2025

Aloha!

The Friends of Niu Valley (FNV) is the fundraising entity for Niu Valley Middle School. FNV is holding its annual We Love Niu Valley fundraising campaign; this is our school's primary fundraiser for the year. Our goal this year is to raise $50,000.

Funds raised by We Love Niu Valley will partially or fully fund Niu Valley Middle School's activities and programs not covered by the Hawaii State Department of Education. These include FNV operational expenses, bus transportation for field trips, teacher appreciation events, Career Day, extracurricular/afterschool activities, Family Nights, school marquee and continued support for students and teachers to create a safe and healthy learning environment.

We are currently inviting corporate contributions at the following levels:

Silver Lancer Contributor, $350 and up

Gold Lancer Contributor, $500 and up

Platinum Lancer Contributor, $1000 and up

100% of your contributions are tax-deductible.

It's a great way to promote your business and help Niu Valley Middle School / Friends of Niu Valley reach this year's goal.

As a corporate contributor, your business name will be prominently displayed on:
