Step 3: Communicate

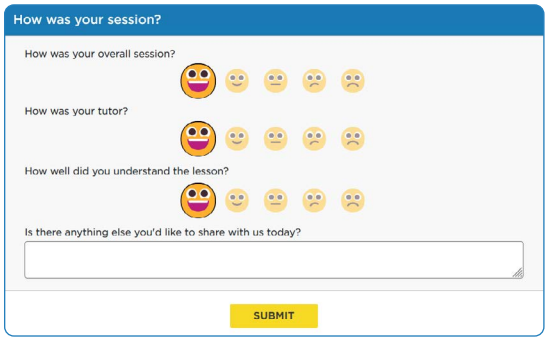

You can use text- or voice-chat to communicate with your tutor in the online classroom. You and your tutor may also use the interactive whiteboard to share work and ideas.

*All activity in the classroom is recorded for review and quality control. Transcripts will be available afterward in **My Account** under the **Completed Sessions** tab.*

Step 4: Share a file

You can upload files related to your assignment to the online classroom—including documents, spreadsheets, presentation slides, screenshots, image files, and more. You and your tutor will be able to view them together during your session.

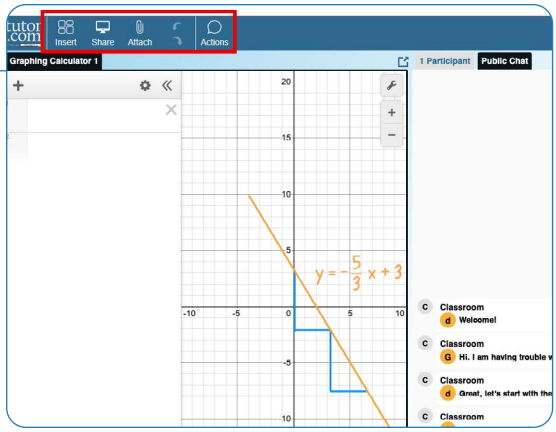

Step 5: Rate and review your session

After each session, be sure to let us know how we did! Complete the survey and share your comments. Then, you'll have the option to play a recording of your session and email or print the chat log and whiteboards.

Submit your paper

The drop-off writing review service allows you to get expert help from a tutor without having to connect for a real-time session. Upload a draft of your assignment—whatever stage it is at—and get detailed feedback within a day. Retrieve your tutor's completed review in **My Account** under the **Completed Sessions** tab.
