NO FIREARMS ALLOWED ON CAMPUS

Any firearm including but is not limited to a starter gun, shotgun, air guns which includes BB guns, pellet guns, paintball guns, or cross bow or any other instrument which will or is designed to or may readily be converted to expel a projectile. In addition to the definition of a firearm, as outlined in HAR Chapter 19, it's imperative to emphasize that toy guns, including but not limited to Nerf guns, water guns, super soakers, spud guns, rubber band guns, prop guns, or other types of toy guns, are strictly prohibited on campus.

The possession or use of a firearm is prohibited on campus, or other Department premises, or during a Department sponsored activity or event, on or off school property.

A student will be dismissed for no less than 180 school days.

Only the Superintendent of Education or designee, on a case-by-case basis, may modify the dismissal of a student found to be in possession of a firearm. There are also additional considerations taken for students with disabilities.
